EPIC

A JOURNEY THROUGH CHURCH HISTORY

Do you know your story? Church history is not a collection of dates and deeds of past events; it is the story of God working through saints and sinners to fashion the greatest civilization in world history. Knowing our story is crucial because the past provides meaning to the present, and the present determines the future.

Epic: A Journey through Church History, developed by teachers and historians Steve Weidenkopf and Dr. Alan Schreck, helps people understand the Catholic story of history. It presents Church history and identifies the main events in Church history, culture, and politics, as well as the popes, martyrs, and Saints.

Come experience an exciting one day "crash course" that will give you an overview of Church History and help you to know the story.

About Steve Weidenkopf

Steve Weidenkopf has a gift for making Catholic Church history come alive for any audience. He currently serves as a lecturer in Church History for the Notre Dame Graduate School of Christendom College.
