

Together as We Pray

Dedicated to the students of

St. Francis de Sales School

April 26, 2020

9:30 Mass

The silence in the hallway, feels barren without you.

The desks in perfect rows, they are useless without you.

The lonely hooks are waiting to be filled, by only you.

Until we meet again, we'll see this through, to be...

Together, together, together as we work.

Together, together, together as we play.

It is here in our Lord's house at St. Francis de Sales,

Together as we pray, together as we pray ... one day.

The clamor of your boots, and muddy footsteps up the stairs,

The reckless cries at recess, running free and without care,

Your open eyes, and open arms, and special stories that you share,

This Joyful noise will fill our hearts as we prepare, we'll be...

Together, together, together as we work.

Together, together, together as we play.

It is here in our Lord's house at St. Francis de Sales,

Together as we pray, together as we pray ... one day.

Together as we pray ... one day.
